4. RATIONALE FOR THE INCLUSION OF CONTENT AND TEACHING APPROACH

Understanding of adolescent learning and development is essential for successful teaching and productive teacher-student relations in secondary schools. The course focuses on providing pre-service teachers with an understanding of the complexity and diversity of adolescents in Australian secondary schools and the qualities of peer and teacher relations that promote student social and academic wellbeing. The course is necessary for meeting the requirements of the New South Wales Institute of Teachers. It complements other courses designed to enable pre-service students to successfully complete their Professional Experience practice teaching and meet all the requirements of the New South Wales Institute of Teachers professional Teaching Standards for Graduate Teachers.

5. TEACHING STRATEGIES

Teaching strategies in this course reflect as much as possible the principles explained in the course itself, including in explicit instruction, guided teaching, opportunities for practice, and group discussions, across lectures, tutorials, and online components.
