## 8. ASSESSMENT

Assessment Task	Length	Weight
-----------------	--------	--------

Module 1 takes about one hour to complete, Module 2 is a bit longer as you will get to know more about each of the five sections of the Framework. You can download the journal they supply and use it to record your responses if you like. A Word version of the journal template is also provided for you in Moodle.

Please register at the start of Week 1 or sooner, as we strongly you need to complete the 2 Modules by **the end of Week 2**. It is an expectation that you will complete the activities, quizzes, and readings recommended for each module.

You will be assessed on five (5) reflective responses to the material covered in the modules. Each response must be about 250 words in length. You will be **required** to submit your entries using the Word doc template supplied in Moodle, and then upload it to the Turnitin space in Moodle by the due date and time.
