Academic Honesty and Plagiarism

Referencing the following sources by the author's name in the text is essential to avoid plagiarism. The following guidelines are provided to help you understand the correct way to cite sources in your assignments. For more information, please refer to the [University of the South Pacific \(USP\) Academic Honesty and Plagiarism Policy](#).

Academic integrity is a fundamental principle of the University of the South Pacific. It is the responsibility of all students to uphold this principle and to ensure that their work is original and free from plagiarism. The University has a strict policy on academic honesty, and any student who is found to have committed plagiarism will face serious consequences. It is important that you understand the correct way to cite sources and to avoid plagiarism in your assignments.

- The following guidelines apply to all students.
- The following guidelines apply to all students.
- The following guidelines apply to all students.

The following guidelines apply to all students. For more information, please refer to the [University of the South Pacific \(USP\) Academic Honesty and Plagiarism Policy](#).
